

The architectural site plan illustrates a residential development in Prishtine, Kosovo. The plan features several buildings, including 'OBJEKTI 1' (a circular structure), 'OBJEKTI 2', 'OBJEKTI 3', and 'OBJEKTI NE NDERTIM'. Dimensions for building footprints and setbacks are provided. The plan also shows parking areas, surrounding streets like 'BRESLA GJELBER' and 'KUFIRI PRONES', and a north arrow in the top right corner.

PAMJE TREDIMENSIONALE

The image consists of two photographs of a modern architectural complex. The top photograph shows a cluster of buildings with a reddish-brown, perforated facade. The buildings have various shapes, including a tall rectangular one with a grid of square openings and a shorter, more complex one with a similar pattern. Green roofs are visible on some of the buildings. The scene is framed by green trees in the foreground. The bottom photograph shows a tall, slender building with a vertical window pattern, standing next to a shorter building with a perforated facade. The buildings are surrounded by lush green trees and a street with a car in the foreground. The sky is a clear, light blue.
